### GENERAL INFORMATION

- Draw for partners and starting of competitions will be in the hands of the Club starters for the day at the Clubhouse.
- Always check your handicap when obtaining a competition card. Mark scores correctly. If in doubt, seek the assistance of a member of the Match Committee. Sign cards, ensure countersigned and then place with the recorder as soon as possible after the completion of the round. Failure to do so could lead to disqualification.
- All competition cards from other clubs should be returned to handicapper for handicapping purposes. Conforming social round can also be returned for handicapping purposes.
- Take pride in your course, and fill in divots.
- Always play without delay. Walk briskly between shots. Park your buggy at a convenient point near the green. Mark your score card at the next tee, not at the green.
- Players with a full clear hole ahead of them, or who have lost a ball, MUST call the players behind them through. The responsibility to ensure that is not delayed rests with the lowest handicapper in the group.
- Members desirous of sponsoring an event or events are asked to contact the President.
