#### **BOARD CHAIRMAN'S REPORT 2022**

As my second year as Chairman draws to a close it is very pleasing to see that the club continues to head in the right direction, posting yet another substantial profit and making big improvements for the benefit of all patrons, which couldn't have been achieved without the dedication and commitment of the staff and volunteers.

To our Secretary/Manager, Dave and Bar Manager, Annette your vision, drive and passion for the club has seen our club prosper when many clubs around Australia have struggled or closed during the Covid years. Your effort's and those of all your staff and volunteers are greatly appreciated and the friendly and professional service provided by our staff has ensured that members and visitors enjoy the facilities within the club.

I cannot speak more highly of the work put in by our ground staff and some very dedicated volunteers that have presented the club's sporting venues in tip top condition week after week, something you should be very proud of.

I thank all the members of our sporting sub-committees that give up their time in setting up and running events for the benefit of our sporting members and visitors and to all those who have travelled and represented the club during the year. It is your willingness to participate in outer-town events that showcases our small club and encourages those that you meet to support our events and I am pleased to announce that GolfNSW have allocated Hay the hosting rights for the NSW Sand Green Championships next year.

A special thank you to the golf committee, who with the assistance of Kylie Brettschneider were successful in obtaining a \$60k grant to purchase a new tractor for the use at the golf course which would have had to come from the club's funds without the grant.

To my fellow directors I thank you for your support and professionalism you have shown in carrying out your role in guiding the future direction of club and in an election year I wish the new board members all the very best for the upcoming year.

Lastly as we move out of the highly restrictive years of Covid I would like to take this opportunity to thank all members for your continued support of the club and if you haven't been out to see the improvements at the club, I encourage you make the effort and enjoy the improved facilities.

#### Manager report 2022

Another strong profit for the Club this year \$180k. First six months of the year we were still under Covid restrictions, including being closed for a month (mid August-Mid September). All Covid restrictions were removed in December which we all were looking forward too. Though just 5 days prior to that, in came a freak storm that did severe damage to the front awning and all fixtures on the roof, so we were closed again for another week to make the Club safe to operate again.

After discussions with insurance company and executives from the bowls committee to shorten the green, we now have the wonderful verandah all the way along the club. Insurance covered the cost of the structure and Club covered the cost to the extension of the plumbing and concrete work. Again, this was a disruption to trade during construction as it was a building site until the end of March.

Thanks to the support of our loyal members our bar trading is \$431k up by \$60k on the previous year, our gaming is \$757k on par with last year. A massive result when we take into consideration that we were closed for 5 weeks, the first quarter of 2022-23 is showing the positive trend is continuing.

To provide the best gaming facility as possible for our members and guests, we continue to upgrade our machines regularly. This year we purchased 9 machines and 7 of these are on 3-year payment plan and other is on a 1 year plan. We are proactive in this space and when we do trade out machines, some still had a book value on them, and this is why our depreciation is up so high this year. Currently, we have been giving them a life value of 10 years, moving forward including this year we are deprecating them at 5yrs.

Getting back to Covid normal we have been able to increase our member promotions by nearly 100%, with badge draws, monthly bonus draws and inhouse raffles. Our members and guests are enjoying these, and we have bought back the Bowlo EFTPOS cards which has been very popular.

The Bowlo online platform continues to grow, raffles made the club \$70k this year with only 1 raffle a week. I big thank you to all our online crew from Hay and all-around Australia, I hope to find more time to run a few extra ones this year.

I would like to give a shout out to Robert Young; the Golf Course is looking amazing, well done to you and to all your volunteer helpers. Also well done to the Golf Committee being successful on grant funding to purchase a new tractor. The Golf committee have contributed another \$20k towards equipment including 50% of the cost towards a front deck mower and another 50% grant funded.

Also, a big thanks to all our staff throughout the year, another great year and this will not happen without you.

The Club has been very lucky to have a dedicated, supportive and progressive Board for many years now. Back in 2011 (when I started) the Clubs Equity was \$1M and now in 2022 Club's Equity is \$1.8M. a lot of that increase has been in past 3 years.

In closing I like to say thank you to all our members far and wide and I hope you continue to enjoy what the Club has to offer.

Cheers

#### **Hay Golf Club President's Report**

I would like to thank all golfers for coming out each week to play and making this a successful year.

Congratulations to all the golfers (new and old) who fronted the winner's table. The new summer competition proved to be popular and was a great success offering golfers the choice of 10 or 18 holes. Also, the Vets competition continues to go from strength to strength and thanks to Dick and Frank for their work over the past 10 years. Our Club continues to be well represented by a small group of golfers at the Open Tournaments around the district.

We were successful in securing funding of \$56,515 under the 2021 Community Building Partnership Program for the purchase of a new tractor with front-end loader. We also received a grant for \$1,000 under the Grassroots Sports Fund. We continue to make grant submissions on behalf of the HBGC in a hope of improving our course and facilities.

We (men, Ladies & Vets) have again made several financial contributions totalling approximately \$17,000 towards the maintenance and improvements to the course. This included electricity, half the cost of a new replacement front deck mower, soaker hoses and an upgrade to the 8th tee.

To Reggie, thank you for your continued hard work in keeping the course in the best condition it has been in years. To our volunteers, Digger, Martin Jackson, Brad Tredrea, Paul, and Tracy Newnham, Dave Marshall, and Paul Pless, thank you, without your efforts our course and competitions would not be what they are. To the other golfers who volunteered during the year, also thank you.

Once again, GolfNSW has awarded us the Men's NSW Sandgreens Championship, this will be held in October 2023. This is a great opportunity for us to show case our club and course.

To our Sponsors, Betta Home Living, The Bowlo, New Crown Hotel, Hay Tyre & Battery Service, Brian Jennings Accounting, Shell South Hay, Fayle's Framing, and others, thank you for your continued support.

Finally, thank you for coming out each week, it is only with your support can the Golf Club continue.

**Robert Young**
